PROPERTY DESCRIPTION

Escape to your own tropical sanctuary. Located in the heart of Frank Sound on the South coast, Seaview Road Beachfront Home features stunning vistas looking straight out over its private beach and reef. Experience lovely onshore breezes from a covered patio that extends to the infinity pool, swaying palm trees and Sea in the distance. Experiencing the island life should be as easy as walking through your own front door and this home captures that feel with open spaces and high-end Tommy Bahama inspired furnishings and fixtures. On the main entry, the large living room opens to the patio creating an indoor/outdoor feel, the kitchen includes a separate breakfast nook area, and the dining room features a bay window looking out to the lush gardens. The downstairs also features a separate bedroom with en suite bathroom plus an office or games room that looks out over the Sea. As you head upstairs, the second level is anchored by a large family room with stunning views of the Sea with its own large patio that is also accessible from the master suite. The master suite is basically its own wing upstairs with en suite bathroom and separate den area with bay window. Three other bedrooms are also located upstairs. The property also features a separate guest house and garage facilities and is very well hidden from the road due to the depth of the site, allowing for natural foliage and grape trees to create a very thick hedge row.
