This gated compound is completely private and encompasses a spectacular two storey beachfront home with Seaside pool and gazebo, three car garage, two separate one bedroom residences for staff quarters, and a private three bedroom guest house. The grounds are lushly landscaped with mature trees and plants in a tropical, garden like setting. There is an abundance of space and privacy on the property and a substantial depth of 525 feet in from the Sea. The rooms within the main residence feature large windows and focus on views of the perfect beachfront, Caribbean Sea, and sunsets every night.
