PROPERTY DESCRIPTION

This special residence features two levels of dazzling Seafront and Seven Mile Beach coastline views. Really well designed with a more active lower level, including an easy walk out patio to the Seafront and the many facilities. The upper level is a quiet area with bedrooms and office/study. Perfect family residence allowing two separate levels of privacy/activity. High 11 foot ceilings, as well as floor to ceiling Seafront glass walls provide optimum views. The interior is of impeccable quality, the very best in Cayman. A huge, exclusive Rooftop Lounge overlooking the Sea and island has been intimately designed for the owner's outright enjoyment - wet bar, BBQ, catering kitchen, spa/plunge pool, restroom, and designer furnishings. The fitness facility is a distinctive glass fronted gym on the Seafront with impeccable equipment. Grounds are densely landscaped with lush plants and trees, even with planted courtyards inside the ultra-modern building, which is pulled 84 feet way back from the road. The gorgeous, elevated Seafront features mature landscaping, large free-form pool and deck area, and a rare natural cove with a hand rail for easy access to the Sea. Additional features include 2 covered parking spots, private locker, and a fully secured property with security/reception. Serrana is a one-of-a-kind opportunity to own a really exceptional new residence in a prestigious building and location. This residence has the lowest price at Serrana and is a tremendous value!
